Sir:

We, Kristi Dhimiter Pance and Eswarappa Channabasappa, hereby declare as follows:

1. We are the two named inventors of the subject matter claimed in the above-identified patent application.
2. We have been informed that U.S. Patent No. 6,784,768 (hereinafter the '768 Patent), in which the two of us, along with Adil Khalil, are the named inventors, has been cited as prior art by the United States Patent and Trademark

Office against the above-identified patent application.

3. The present application and the aforementioned '768 Patent are assigned to the same assignee.

4. We have reviewed independent claims 1 and 31 of the present application as amended in the Response to the Office Action Dated July 19, 2005. We also have reviewed the original claims 1-4, 8-10, and 31 of the present application as well as the Office Action dated July 19, 2005, in which the Patent Examiner rejected claims 1-4, 8-10, and 31 as anticipated by the '768 Patent.

5. The subject matter disclosed in the '768 Patent upon which the Patent Examiner of the present application was relying in rejecting original claims 1-4, 8-10, and 31 was invented solely by the two of us.

As the persons signing below, we each hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment or both, under Section 1001 of Title 18 of the United States Code, and that such willful statements may jeopardize the validity of the application or any patent issued thereon.
